

Just more info if you need it Dave

The CPC Care Services Department provides a wide range of services both privately and via care manager referral to disabled and elderly people including young people and even children.

Personal Care for the Elderly and Physically Disabled

Every day CPC support staff visit a large number of elderly and physically disabled people in their homes to assist with essential daily tasks ranging from morning routines, meal preparation and feeding, personal hygiene and bedtime routines. Typically, our care assistants will visit several clients in succession every morning, lunchtime, teatime and evening. Shopping and/ or pension collection on behalf of clients are completed once or twice a week as needed.

Domestic Services

CPC also provides domestic staff to assist with housework, shopping, etc. This service is offered to a range of clients as an extra service or part of the personal care package.

Learning Disabilities Support

CPC specializes in supporting children and adults with learning disabilities. We provide an in-house Life Skills programme to teach young disabled adults how to live independently. An escort service to day centres or clubs is available.

Other Services:

- Care needs assessment and reviews
- Health & Safety risk assessments in any care environment
- Training provider (Please see courses available)
- Emergency Call-out Service
- Umbrella Organisation for processing CRB's
- Day Centre
- Life Skills Group
- Support service for the Elderly and Disabled and their Families.

All our staff are fully trained to a very high standard. They have been subject to a Criminal Records Bureau Enhanced disclosure before they are permitted to work unsupervised with vulnerable adults or children. As an umbrella registered organisation with the CRB, we are also able to carry out CRB checks for anyone at a cost. Please contact us for details or see our training page.

For further information on any of the above mentioned services, please call contact us at CPC Care Services 01634 220110 or email marionaldridge@cpcare4uk.co.uk.

The CPC Care Services Department provides a vital Domiciliary and support Service for both disabled and elderly people including children in the Medway Area. Our care staff makes it possible for clients to continue living in their own homes, thus retaining much of their independence. The needs of our clients often arise from a disability condition, for example: Brain injury, Cancer, Parkinson's disease, Cerebral Palsy or Multiple Sclerosis.

Over 150 clients benefit from assistance with:

- Personal Care
- Bathing
- Buddying
- Cooking
- Housework
- Shopping
- Mobility
- Family Visits via our escort service
- Hospital Appointments via our escort service

In addition, several clients take an active part in CPC's Day Centre activities held on Monday, Wednesday and Friday. ([Day centre Page](#))

For our younger clients we offer care in the home and we run a Life Skills Group 3 days a week. ([Life Skills Page](#))

Direct Payments and Private Clients are welcome. Clients are also referred by Medway Social Services and Kent County Council.

Direct Payments are a way of you having the care of your choice, ring us for more information. (We care for Elderly, Disabled and Young clients)

Our Training Officer has developed a comprehensive training programme for carers leading to NVQ qualifications in care, other training programmes provided are, induction to social care, Food & Hygiene, Adult Protection, Health & Safety, Manual Handling, First Aid, mental capacity, etc. ([Training Prices](#)).. We are also an umbrella Organisation for processing CRB's ([Prices](#))..

All of our staff are fully trained to a very high standard. They have all been subjected to a Criminal Records Bureau Enhanced Disclosure before they are permitted to work unsupervised with vulnerable adults or children.

All profits made by Care Services are re-invested in CPC to help fund its educational work with disabled children and adults.
